any child to change its religious belief—

In Kiltegan Church I have heard that there is a
Sunday School held every Sunday in which
130 Children are taught by the Rev^d Mr. Scott
or by his selection of teachers —

2) John Cain Master Anne Doyle Mistress Opened May 1820
held every day in the week Saturday & Sunday excepted.

If a holiday fall on a school day the school business of
that day is transferred to the succeeding Saturday otherwise
that day is devoted as well as Saturday to religious instruction

4) Master 28 years of general good Character and well qualified
to teach School. He was educated partly in this Country
and in Dublin was trained in the School of Synaclesh
The Mistress between 20 and 23 yrs. of Character, Manners and
Qualifications that intitle her to a Rank in Society far
superior to that of a Mistress in a Country School She
was educated by the Nuns of Carlow Convent

5) 75 Males & 78 Females 3 ^{C. Church} of other denominations 150 R. Catholics

N^o 6) - 0 ——— N^o 7) 131 ———

8) about 17 in 20 & it would require about 3 or 4 Months
to teach a Child to read Monasyllables

9) The Masters Salary is about 10 pounds yearly He received
last year 5£ premium from the Kildare Society. The Mistress
Salary about 8 or 9 pounds of year She rec^d. 5£ from Kildare
Place Society as a gratuity each of the two years proceeding.
The Rev^d. M^r. Cahlan & I presented her last year with 7/10 as
we thought her Salary otherwise too small

N^o 10/ The first years have been so unfavourable to the People of this neighbourhood and other causes prevented them from building. hence the School is held in the Chapel about 200 pounds would be requisite to build a House large enough to accommodate the Number of children attending this School

11/ This School is in Connection with the Kildare Place Society it also receives aid in Books from the C.^o Wicklow Education Society — after the opening of this School on account of the poverty of the People the Patron the reluctantly has been induced to apply for aid to the R. P. Society and has caused so much of their rules to be observed as intitle him to receive such aid. The C.^o Wicklow Society do not impose any obligations on those Schools receiving aid from them —

12/ Rev. John Gahan Resident Priest his Superintendence has been about twice in the week not on particular days and is extended to every person and to whatever is taught in it. J. W. Green Esq. & family Kibronela have frequently visited this school — The same attention is paid to this School by the Rev. Mr. Kelly & myself as that stated for us towards Tynnaclash School —

Doway Version 12 procured by the Patron of the School at the expense of the Parishoners & 6 given by J. H. Green Esq

15/ No Steps have been taken in this School at any time to cause any child to change his religious belief. The attendance of the children has been nearly alike these years past the parents of them are well disposed towards it as they are towards all Schools approved of by their Pastors — and knowing the Character of the Master and Mistress Selected by the Patron as well as his own personal attention to it they are satisfied that the Communication with the R. P. Society cannot produce that evil in a School so situated which it is calculated to produce in others not similarly circumstanced — The Number of Scholars of either Sex has greatly increased since last year nearly as two to one; and I hope this increase will be permanent, as I think it proceeds from a proportionate change in the disposition of the people with respect to the importance of Education

Extreme Length about 3 Miles Breadth about $2\frac{3}{4}$ Miles
No. of Acres in the parish about 2726 —
